About Urban Essence Salon & Spa?

Urban Essence Salon & Spa is dedicated to providing products and services which promote personal care and enhance an overall sense of well-being. We value establishing long-term relationships with clients based on serving as a quality product provider and champion of holistic self-care. We work to promote awareness of product ingredients, distribution, and use in order to create educated consumers who can make well-informed decisions regarding their UESS selections and complementary products.

Treat your skin and soul to some special pampering with our super scented, naturally healthy lotion, shower gel, bubble bath, bath salts, glycerin soap, body spray, and massage oils. **Urban Essence Salon & Spa, LLC** gives you the complete solution to body care. We pride ourselves in personalized service and some of the best body and bath care around.

Urban Essence Salon & Spa is the leader in Hand Crafted bath & body products. Unlike national, mass-manufactured brands, our entire product line is skin friendly based on years of research and enthusiastic testimonials from satisfied customers. Our products are free of mineral oil, petroleum, alcohol bases, harsh detergents and unnecessary additives which are detrimental to the skin. Instead we use skin loving ingredients like shea butter, cocoa butter, herbal extracts and Vitamin E. Discover the difference.
